

PCX-ATE8R OUTPUT EXPANDER

Compact expansion

Allowing complete wiring flexibility

Add up to eight additional ATE relay outputs to the PCX control panels with the PCX-ATE8R expansion module.

PCX-ATE8R

56mm

109mm

Deliver the output the installation needs with the ability to add eight relay outputs

The ability to add relay outputs provides greater flexibility and options to any install by adding a multitude of peripherals to deliver the perfectly tailored system.

Keep your installation tidy with a compact design

The PCX-ATE8R fits inside the control panel to keep the installation neat and uncluttered.

Expand your possibilities with user automation

Use the outputs with the HomeControl+ App to control lighting, gates and many more devices from anywhere in the world. An upsell opportunity for every install.

Partcode	PCX-ATE8R*
Type of Module	
Wired input expander module	✗
Two-way wireless expander module	✗
Output expander module	✓
Key Features	
Output support	8 Relays
Housing with tamper protection	✗
Integrated power supply	✗
Power input	9 - 15 DC
Other Details	
Operating storage temperature	-10°C to +50°C -20°C to +60°C
Weight	68g
Dimensions	109 x 56 x 14mm
Warranty	2 years
Certifications	
Electrical conformity	CE
EN50131	Grade 3
Environmental class	II
	✗
	Self-certified

*Only compatible with PCX control panels
