DB60 Wireless

5MP Video Doorbell

DB60 delivers 5MP live monitoring experience with a 5M sensor. The 6200mAh battery ensures the doorbell last up to 6 months. DB60 is able to capture more details with the 164°fish eye lens. It supports night vision mode for clear-as day clarity even in pitch dark. With IP65 certified, the doorbell can be used outdoors under different weather conditions. Furthermore, it is equipped with a smart night light, which can be used to notify motion detections and scare away unwelcome visitors.
